

# USE YOUR VOTE!

## VOTE AND VOTE YES OR THESE PEOPLE SPEAK FOR YOU:

**Not voting?** Then Rico Back speaks for you. £6m golden hello, £2.7m salary, £2m of shares and not even living in the UK.

**Not voting?** Then Donald Muir speaks for you. A man who when working for our NHS said "I tell them that a pound note is the same in any sector, and we need to generate cash."

**Not voting?** Then the private profit driven hedge funds who own the majority of Royal Mail Group shares speak for you

**Not voting?** Then you are by default supporting Royal Mail Group's plans to break up the company.

**Not voting?** You are giving the green light to Royal Mail to breach our Four Pillars and legal protections agreements – putting your job at risk.

**Not voting?** You are standing by as the USO and 20,000 associated jobs are put at risk.

**IF YOU DO NOT VOTE THEN THE COMPANY SPEAKS FOR YOU.**

## VOTE AS IF YOUR JOB DEPENDS ON IT – BECAUSE IT DOES
